

RUN WICHITA MINUTES - JULY 10, 2022

The Independent School Media Resource Center

Karlee called the meeting to order at 3:05.

Members present: Karlee Rose, Casey Woodburn, Terri Vanwey, Darren Couch, Julie Couch, Tom McGaffin, Gary Steed, VJ Bhakta.

Sarah sent her report by Email- The P.O. box has been closed. All mail is being forwarded to Sarah's address. She reached out to RRCA but has heard nothing back.

Tom has papers to be signed at the next meeting.

Curtis sent his report to Karlee- Park Run is moving forward. He is working with Exploration Place. Exploration Place is working on a route and working on things with the city.

Run Wichita will support Park Run every Sat. by making sure there are 2-3 people helping each Sat. The time commitment is maximum hour and fifteen minutes, Curtis and Karlee are heading this up.

Darren's report: Run Sign Up does not work for the web but will work for membership sign-up and race sign-ups.

He looked at Word Press for a web design at a cost of \$60 per year. Our web page should include a bio of Angela who is a certified running coach and a short history of Run Wichita. There will be links to Instagram, Facebook, and Twitter

There was quite a bit of discussion about membership dues. It was brought up \$50 would not be inclusive. Julie has seen a choose your own membership option with a donation link. It was unclear how membership will be proven and how it can be automatically renewed. The membership discussion was tabled to next month.

By-laws: Gary, Casey, Angela, and Terri met to work on by-laws and passed out paper copies of Run Wichita's By-laws . Darren put the working by-laws in a Google Doc. Anyone can comment on them. If we go with RRCA, the by-laws need to follow their prescribed format and content. RRCA would give us insurance. Karlee will check into other insurance possibilities such as what Derby Running Club uses.

Party: The party is being postponed to January so we can have everything in place.

Tabled: Soft launch by November- have the web site up and get Super Bowl Run planning and reservations started

August Meeting - AUGUST 21 1:00 pm BASIS OFFICE 800 E. 1ST ST.
